The Prokofiev Guitar Duo

Nejc Kuhar and Mak Grgic, both former students of the revered guitar master Alvaro Pierri, at the University of Music and Performing Arts, Vienna, live now on different sides of the world. Mak is on the faculty at Mount Saint Mary's University in Los Angeles. In addition to curating festivals both in the US and Europe, he spends a distinct portion of his time on the road performing. Nejc holds a professorship at the Vienna Music Academy and Frankfurt Music School. He is also an active performer and recognized composer. When their paths meet they enjoy performing together as the Prokofiev Guitar Duo, a collaboration that was established during their time together in Vienna. Their last US tour, almost three years ago, included a performance at the National Gallery of Art. Prokofiev Guitar Duo is now returning to the Washington DC area with a program consisting of original music, intricate arrangements and Spanish classics.
